PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 288A at Freer, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 288A to Freer, Texas, as that community's first competing commercial FM service. Freer is an incorporated city with a population of 3,483 people as of January 1, 1998 according to the Texas State Data Center. As of March 1999, 189 business establishments in Freer had been given a credit rating by Dun & Bradstreet. Freer has its own mayor, Arnoldo Cantu, its own fire department, its own post office, its own school system, its own City Hall and a number of local churches.
